Tune Up Lessons

Don't get in a rut and spoil the whole season. If things aren't what they should be, a quick tune up lesson can get you back on track. Call for our special rates on tune up lessons starting May 15 through July 30.

Bad Weather???

No matter what, rain will cancel your practices and games – you can bet on it. Instead of no practice at all, use our batting cages and infield area to keep the team in top shape. Call for availability and special summer rates.
